VISIT PERRY IS PARTNERING WITH THE IMGOING EVENTS CALENDAR

THERE ARE FOUR OPTIONS TO ADD YOUR EVENTS TO [VISITPERRY.COM](https://visitperry.com):

Get people's attention with a customized event. If you regularly host public events, be sure to create your events from Eventbrite, Eventful, a Facebook Page, or manually add to visitperry.com to reach people where they're engaged.

WHY IS THIS IMPORTANT?

- The answer is simple – to draw more participants or customers. If you are trying to drive foot traffic to your business or to an event you are hosting in the community.
- Not only do most people use the event websites to connect with their friends and family, but also artists and venues that frequently organize events on these platforms too. Put the two together, and you have a massive marketing force.

OPTION 4.

STEP 1: CREATE A FACEBOOK PAGE OR CHECK YOUR PAGE SETTINGS

MARKETING ON [VISITPERRY.COM](https://visitperry.com) WEBSITE STARTS WITH A FACEBOOK PAGE

A Facebook Business Page gives your business a voice and presence on the world's largest social platform and is designed to help you connect with customers and reach your goals.

TO CREATE A FACEBOOK PAGE:

- Go to facebook.com/pages/create
- Click to choose a Page category
- Select a more specific category from the drop-down menu and fill out the required information
- Click **Get Started** and follow the on-screen instructions

ALREADY HAVE A FACEBOOK PAGE? CHECK THESE ITEMS:

- Under "About" edit your page to include a **physical address**. ImGoing Calendar of Events is map-based application and will only pull Facebook pages displaying a location. If you don't have a street number, you can still add an address such as "14 Westbury Park Way, Suite 200 Bluffton, SC 29910".
- Also, make sure your page has no age or country restrictions. The Facebook API requires all pages to be **public**.

STEP 2: CREATE YOUR EVENT ON FACEBOOK

Go to your Page, then **click Create an Event icon**, at the top of your page's timeline

Add details about your event:

Create an event

1. **NAME YOUR EVENT.** Give a short and sweet name so people will know what it is at a glance.

2. **CHOOSE A CATEGORY:** Simply select from Facebook's pre-selected options for your event category.

2. **ADD YOUR LOCATION.** Be sure to tag the location or include a full address so your event can be recommended to people close by.

3. **CHOOSE A CO-HOST.** Add any others you want as co-hosts to the event. It could be an artist, promoter or venue. This helps expand the reach of your event and allows others to keep the details up to date. Your co-host will be able to edit the event just like you.

4. **ADD A TICKET LINK.** If you're selling tickets for your event, you can include a link to the ticket agent or site.

5. **PICK A PHOTO.** Events with a photo look better across Facebook. Remember, your photo appears on more than just the event page itself. People will see the photo in News Feed, notifications, and more - so it's important to have a photo that looks good both big and small. If you upload your own photo, it should be 1920 x 1080 pixels or larger and include little text.

Click Publish. Once submitted, **please allow 48 hours** for our approval process before the event is published on the website - considering you have followed the page guidelines described in this document, your event will be sent to our team for approval.
